This luxuriously appointed home features 2 elegant reception rooms, a stunning contemporary dining kitchen, 2 stylish shower rooms and an idyllic rear garden.

Constructed by the award-winning local developer Northmead Homes, and forming part of an exclusive development of just 4 contemporary residences on the rural fringes of Raskelf, this exceptional village home offers beautifully designed single-level living accommodation combined with an outstanding level of luxury.

Having been significantly upgraded, enhanced and extended beyond the original build specification, the property welcomes you via a generous reception hall, complete with a practical coat and shoe cupboard, cloakroom/WC, and elegant oak doors leading into the principal living spaces.

This suite is complemented by an extensive en-suite dressing room, fitted with a wide range of wardrobes. The guest bedroom also benefits from fitted wardrobes and a stylish en-suite shower room, while the principal bedroom is served by a separate, luxuriously appointed shower room featuring a larger-than-average walk-in shower.

Further internal features include an energy-efficient air source heat pump, double glazing, a security alarm system, and recessed low-voltage lighting throughout. The property also benefits from the remainder of a 10-year structural warranty, offering additional peace of mind.

Externally, the front garden is predominantly laid to lawn, with a driveway and turning bay providing ample parking and access to an attached 18'10" (5.74m) single garage, complete with a remote-controlled roller door.

The idyllic rear garden has been thoughtfully landscaped to create a peaceful and attractive outdoor space, featuring paved pathways and seating areas, a lawn with a central flower bed, greenhouse, and a timber-built storage shed. The garden is further enhanced by a variety of dwarf rootstock fruit trees, including apple, pear, cherry, and plum, alongside three crab apple trees, lilac, golden birch, and an Indian bean tree. A side garden area and a warm water external tap complete this impressive outdoor offering.
